## Descripción

**Chatler Jurp What Men** is a oriental - fougere fragrance para Hombre.

It is designed for those "bad guys" who know how to have fun those wild, free and provocative rebels who drive bikes in distressed jeans and leather jackets. Or those who want to feel that way for a moment.

The fragrance is built on many contrasts. It starts with sparkling pink pepper accord that leads to the rich, intense and dark rum absolute core. Warm trail is provided by the base of woody tones and blonde tobacco.
