The intense experience starts right from the beginning with the aroma of red apple and pepper notes. Later, incense and sweet but bitter neroli take over to bring out the sensuality of the composition. A woody combination of cedar, vetiver, and musk will stay with you long after all the top notes have faded away.

Top notes are Pepper and Apple middle notes are Incense, Neroli, Rose and Lily-of-the-Valley base notes are Cedar, Vetiver and Musk
