Chatler Veronic Green is composed of natural tones and it is a picture of awakening of nature, evoking feeling of freedom, movement and balance of internal energy with surroundings and nature.

Veronic Green is a fragrance with a beautiful contemporary bouquet combining Mediterranean elements with the glamorous sensuality of the Versace woman.

Its composition opens with bergamot, fig and green mandarin, and wraps you with freshness. Sparks of citrus and other fruity aromas take you to a heart ruled by sea lily and rare flower, strengthened with jasmine petals and bitter-spicy accords of cardamom.

Its composition opens with fruit of the Mediterranean: bergamot and green mandarin, and wraps you with freshness and luminous, optimistic accords with irresistible fig zests. Pleasure will rise with sparks of citrus mixed with fruity aromas. They will take us to a heart ruled by sea lily, rare flower with rare aromas, strengthened with jasmine petals and bitter-spicy accords of cardamom in an elegant way. Base notes leave a cover of woody accords of sandalwood, cedar, olive wood and sensual musk.
