Descripción

Dorall Sundown is a fresh, woody and spicy fragrance para Hombre.

The top notes are fresh and strong, full of life force. They are composed of green ivy leaves and Brazilian mint. The heart notes are fresh, balanced, with detectable black pepper, very elegant indeed: coriander, cardamom and pepper. Base notes are rich and unusual, made of cypress and red cedar wood, blended with mysterious essence of frankincense, myrrh and labdanum

Inspiration ***Jil Sander Men**
