Descripción

Jean Marc Blue Caffe is a Floral Fruity fragrance para mujer.

Jean Marc Blue Caffe is a casual and breezy, sparkling fruity-floral scent that evokes the spirit of the Sicilian summer. Mouth-watering and fresh notes of lime and cedar are bringing an image of the South woods on the seashore.

Jean Marc Blue Caffe a good scent?

It's a simple fragrance that enjoys a mass appeal and women seem to enjoy it. It's kind of an entry level cologne for guys just getting into fragrance and want a versatile value fragrance. It's not amazing to me, but I still do get enjoyment from this *Jean Marc* fragrance.
