Should you wear perfume every day?

If you use a particular scent regularly, use it sparingly. Because your own sense of smell quickly gets used to the scent and perceives it less strongly, explains Huber. Too much of a fragrance can smell pungent and unpleasant to other people.

How long do similar perfumes last?

These Jean Marc fragrances are inspired by the well-known brands. The Sensation fragrances last an average of 5 to 6 hours and only cost €5-10 for 100ml.

Dupes Fragrance is an affordable option for perfume lovers who want to enjoy their favorite scent at a lower price.
