Luxure I Miss You Field of Flowers is a Floral fragrance para mujer.

I Miss You Field of Flowers is a feminine fragrance that perfectly combines fruity and floral notes. The opening layer of the perfume is bright and fresh as top notes of Italian mandarin and bergamot come together. Delicate geranium provides a softness to complement the sharp, sweet citrus. Two varieties of rose, Damask and Grasse, blend together in the heart layer. The base of the composition consists of a single note of white musk that adds an element of earthy darkness.
