Descripción

Luxure Like Me Pro is a floral fragrance para mujer.

The scent opens with fresh, citrusy notes of Bergamot Oil from Calabria, blending with sparkling Orange Blossom enfleurage in bitter orange oil.

Like Me Pro is a feminine fragrance that invites you to explore new horizons. Refreshing and romantic, the scent is characterized by a powdery bouquet at its heart, perfect for springtime wear.

A radiant bergamot accord introduces the perfume, intertwining with bright, floral nuances of tuberose. The fragrance dries down onto a bed of cedarwood, adding an earthy twist to the scent for an intoxicating finish. Adventure into the unknown with Like Me Pro Parfum.
