Descripción

Luxure Tender Night Flowers is a promising flanker chock full of seductive florals with a shot of gourmand thrown in. Ispahan rose with damask rose combined with the moonlit kiss of jasmine and tuberose to create a midnight stroll through a garden full of romance. The Belle de Nuit bouquet creates a warm and floral embrace, while a macchiato sings its praise with a creamy chantilly accord and a dark kiss of patchouli to ground it.

Is *Tender Night Flowers* sweet?

Tender Night Flowers isn't the kind of perfume I would have bought based on the notes alone, but I can't deny how well it works on me. **It's definitely sweet**, but not unbearably gourmand or toothache-inducing.
